DESCRIPTION

Mobile High-Square Back Two-Tone Fabric Hydraulic Chair

( BILIK MESYUARAT )

Constructed of oak veneer with an nyatoh finish.

Whiteboard surface is ideal for presentations, and doubles as a magnetic tack board.

Space-saving tambour doors slide behind the marker board when open.

Doors lock to keep your information secure.

Shipped fully assembled.

( BILIK KULIAH )

Dimension & weight

Width 2800 mm

Height 1200 mm

35x100mm alum. Housing with 2 sliding track, safety round edge PVC cap, plywood core, rollers installed on board for sliding convenience, extended option of board for more writing with pen and marker holder

MEJA PENSYARAH ( BILIK KULIAH )

Dimension

Width 1800 mm

Depth 900 mm

Height 760 mm

Weight 25 kg

Package Volume 0.206 m<sup>3</sup>

Materials

Moisture Resistant Laminated Chipboard.

## KERUSI TETAMU / GERD 1-16

Dimension

Width 590 mm

Depth 570 mm

Height 890 mm

### MATERIAL

Seat & Backrest: Thick-Padded PU Foam covered with Spill & Stain Resistant Fabric Material.

Armrests: Curve Plastic Polypropylene.

Base: Tubular Steel Cantilever base.

## MEJA KOMPUTER

### Dimension

Width 1830 mm

Depth 610 mm

Height 740 mm

### Materials

Twin Computer Table incorporating two lockable hanging CPU cabinets with side ventilation holes accessible from front and rear, cable management and rear shelves for a battery back-up surge protectors.

Moisture-resistant, laminated chipboard on a study steel frame.

Width : 18.25 in.  
Depth : 26.5 in.  
Height : 52 in.  
Weight : 122 lbs.

26 1/2 inch case depth with  
25 inches of front-to-back  
filing space

Drawer Suspension: Three  
part telescoping, ball bearing

Positive-action follower  
blocks ensure files are kept  
neatly upright

High drawer sides  
accommodate hanging files  
Core-removable locks keep  
contents secure

Full progressive suspension  
Baked enamel finish  
Heavy-gauge thumb latches  
on drawers prevent  
accidental opening

**ALMARI BUKU BERCERMIN**

Dimensions:1850H x 900W x 400D mm

Material: cold rolling Steel

Feature: sliding door with glass  
electrostatic plastic spraying coating
